LCHS 9 - 12 PTSA online NEWS

Dear LCHS Family,

CSF Applications Due Friday, October 30

California Scholarship Federation (CSF) Application Available - The California Scholarship Federation (CSF) is a statewide organization that recognizes academic excellence upon graduation at the high school level. All Seniors, Juniors and Sophomores with good grades and citizenship are encouraged to apply each semester. To attain full membership and a CSF Gold Seal on your diploma, and gold cord to wear at graduation, a student needs to submit an application for at least 4 semesters of high school. One semester must come from senior year. Because grades must be from high school classes, during this fall semester, Freshmen may not apply; they will be able to apply beginning the second semester, in January, 2021. The deadline to apply with the Google form is Friday, October 30th by midnight.

This year the application is online, through a Google form - click [LCHS CSF Application 2020-21](#). At the bottom of the form you are asked to upload your report card. When uploading your report card, please rename the file in this order→ your class (2021; 2022; 2023), last name, first name, student id. #.
